REM Residential

I've had the pleasure of knowing and working with Rick Elezi and REM Residential for the past 17 years. Rick and his team have always been professional, reliable, and committed to meeting the needs of property owners and tenants alike. Michael Besse, my day-to-day property manager, exemplifies this commitment to excellence. He is attentive, proactive, and ensures that every detail is handled efficiently and with care.

Sincerely,

A handwritten signature in black ink, appearing to read "Ben Haglani", with a long horizontal line extending to the right.

Ben Haglani
Managing Partner
